**Happy Birthday
everyone!!!!**

Welcome to spring and along with spring comes the blossoming of the first newsletter for Bendigo Youth Brass (Oh that was a bad joke, sorry). Parents if I haven't had the privilege of meeting each of you personally let me start by saying thank you for your support in your child's music development and to those who I have meet, this thanks is of course to you too.

Currently BYB has a couple of playing possibilities available to us, but these of course depend on availability of players, so if you could grab out your diaries and calendars and check over the dates below and return/reply with your availabilities. Also if you know of any other playing opportunities for the band in the next 3-6 months I would love to hear about them and see what we can do. The more the band gets to play, the better we come together and the higher level of music we produce.

QUICK AND EASY TIP

Wipe your valve/slide down with a hankie, NOT paper towel before you oil your valves or grease your slide.

PARENTS WE NEED YOU.

I would really like to take BYB to the Australian Brass Band Championships over the Easter weekend next year but I will need your help in organizing the trip for the band.

If you can please send me an email and I will be in touch.
